

The pool only accepts clothes in good to very good condition, which have been cleaned or washed and pressed as appropriate. A form (attached) with all the information we require must be filled in. Clothes need to be left at Marietta's, 233 George Street.

Due to sheer volume (over 3,000 items most years) clothes must be put individually on non-returnable hangers (if you don't have enough or need clip hangers call in at Marietta's and get some). The open part of the coathanger should face the right side of the garment. (see picture) Tie together and label. Jumpers, ties, hats and grey or maroon shorts should not be hung but should be in a labelled bag. Each bag or bundle must be labelled with your name or we consider it a donation. Clothes not hung correctly will only be accepted as a donation. Do not label clothes individually. **ALL TOP BUTTONS AND ZIPS MUST BE DONE UP**

Try to bring in clothes **before** each new season starts – yours will sell faster. Check for stains, tears etc and don't bring things you wouldn't buy yourself. Shoes can only be donated.

Tights and school socks are not saleable but may be used for emergencies. Unpressed clothes will be assumed to be dirty, and thus not acceptable. We reserve the right to set prices and will send unsatisfactory clean items to Charity Shops UNLESS you indicate on the form wish them returned to you AND return within 7 days to collect such items. I WILL NOT CONTACT YOU.

Commission is per item - 10%. Prices are set according to condition. The Pool which is run by volunteers, was set up for the dual purpose of providing an avenue for parents to buy and sell uniform, and help children in need in any Catholic School. Extra funds are used for projects around the school.

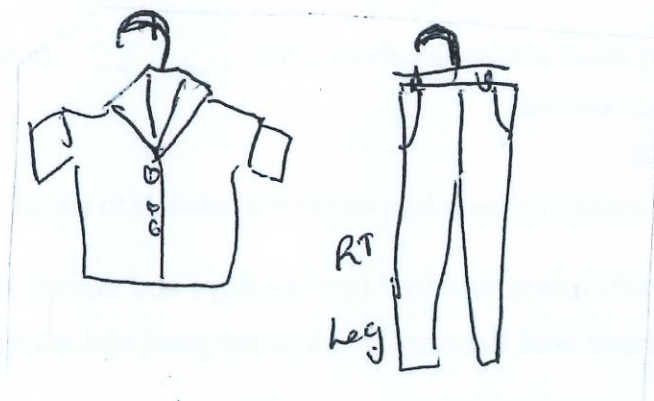

Proceeds can be paid into your account each time total reaches \$50 and after last item. Due to volume I cannot let people know what individual items have sold. All care will be taken but we do not accept responsibility for any items which 'go missing'. (Extremely rare) Items not sold after two years may be discarded without further notice. If you change bank account it is up to you to supply new details. Please take care with supplying bank details. BSB numbers are 6 digits and an account number can be no more than 9 digits (often less) – don't get them from cards – use the bank statement. A fee is charged by the bank if wrong numbers are used.

You can also have amount kept as credit at Marietta's for future purchases in either the Pool or shop. Remember to ask for it when making a purchase.

Thank you for your support
